A GROWING NEWSPAPER IN A GROWING COMMUNITY

JOIN IN THE FUN

Register for the Whiskerino Contest Monday, January 15. Join in the spirit of Old Settlers' Day, February 22.

Volume 57, Number 12

CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

Friday, January 12, 1951

WHISKERINO CONTEST IS IN AGAIN; PATRIOTIC THEME TO FIGURE IN EVENTS INCLUDING SOUVENIR PROGRAM ADS

Mrs. Jessie Campbell will be asked to reign as queen of the 1951 Old Settlers' Day observance on February 22, following decision of the Campbell Business and Professional Women's Club Wednesday night. As the entire OSD committee began work of rededicating the annual observance to early American founders' ideals, the trend also toward a greater emphasis on the roles played by the early settlers in the founding and developments of this community. Mrs. Campbell, as a direct descendant of the Campbell family which founded this town, was the fitting choice to preside at this year's celebration.

Entries are already being received by the parade committee

THERE WILL BE A WHISKERINO CONTEST ON OLD SETTLERS' DAY. Old Settlers' Day Committee Chairman John Duncan announced today that plans have been revised, and the whiskerino contest will again be part of the February 22 program. Registration will open on Monday, January 15, for anyone in Campbell, San Tomas and Cambrian who is interested. Duncan also mentioned, pointedly, that plans are underway to operate a Kangaroo Court on Old Settlers' Day for enforcement of the whiskerino law.

Two changes in rules have been announced for the contest: 1. No man who has already won the contest twice in succession may enter the contest—thus Junior Wirth, consistent whiskerino winner, is out. 2. Junior Wirth will be chairman of the contest and will announce other members of his committee at a later date.

Register with either the Wirth Auto Service on Winchester Road, or with any barber in town.

For the big show, and all individuals, business concerns and organizations planning to enter the parade are urged to mail their entry blanks as soon as possible to the parade committee headed by Forrest A. Reese.

Reese reported to general chairman John Duncan this week that the parade route will be as follows: parade will start promptly at 1 p. m. from the assembly point at the corner of Campbell Avenue and Los Gatos Creek, proceed out Campbell Avenue to Milton Avenue where it will disband.

SEND ENTRIES
It is important that all parade entry blanks be returned as soon as possible so that the order of march may be completed and this information mailed back to the participants.

Awards will be given in the following classifications: sections, juvenile groups, civic groups, riding groups, commercial groups, industrial groups, posse or escort, and pet division, individual, junior riding group, best riding pair, best individual rider, horse and outfit, junior band, senior band, junior drum corps, senior drum corps, junior majorette, best school entry and grand sweepstakes winner.

There will be second, third and honorable mention awards in addition to the first prize trophies. Everyone in the community is invited to march in the parade and to wear a costume along the patriotic or old settler theme.

An important change in the souvenir program layout this year was released today by souvenir program chairman George B. Kemp. "The theme of the Old Settlers' Day program in Campbell is an emphasis on patriotism and the need for the working together of all Americans in these days of

great problems," he said. "Many subscribers and organizations that are buying space in the souvenir program are not using the space to express their advertising, but to express their opinions about Americans working together and a rededication to American rights and principles."

Advertisers' themes this year are generally along the following lines, said Kemp: "America is the land of opportunity, let's work together to keep it that way." "We have a great heritage in America and we're proud of it." "The only ISM we will support in the United States is Americanism."

"Campbell is a proud American community, and I'm proud of Campbell."

The advertising space, in addition to the patriotic statement, will include the firm name, address and phone number.

"People in Campbell are proud to be Americans," commented Kemp, "and here's an opportunity for them to express themselves to support a community-wide patriotic program."

Kemp and the ten members of his committee began covering the area this week, selling space in the program which is distributed to all corners each year as a souvenir of the occasion. Those on the committee are: Cel Gerevas, Emerson Arends, Bill Means, Bud Levenberg, Dobie Jeffers, Frank De Rose, Don Hartman, Roy Zimmer, Mary Gray and Clarence Nelson.

A roundup of other OSD news items brought the following information:

Neal Royer, chairman of the noon luncheon, has announced it will be served in the Campbell Grammar School cafeteria from 11:45 a. m. to 12:45 p. m. Charge will be 50 cents each. The public is invited.

High school students, under direction of L. J. Hill, will make brief talks before local service clubs in the weeks prior to Old Settlers' Day, giving brief history of the event and urging participation.

Two nights of variety show will be offered at Campbell High School, February 21 and 22. Both shows will be worth taking in, for of old photos of Campbell or its (Continued on Page 9)

Cambrian Election Gets Top Support

Cambrian School district's two special ballot measures were given overwhelming approval by voters last week. Tally on the \$21,000 bond issue to bring the district up to its bonded capacity was 165 to 1; a vote of 165 to 1 carried the proposal to accept \$475,000 in state funds for school development. District Superintendent Delos M. Bagby and members of the board, have issued a public thank you to voters for recognizing needs of the school.

Bids will be called in the near future on completion of two new wings for the present building plus construction of a third new wing. New classrooms, kindergarten, domestic science, shop, library and a new school site with six classrooms, multi-size room and other facilities will be provided.

Red Cross Chapter Executive Board Meeting Called Next Monday By Payne

Joaquin J. Payne, Campbell Red Cross chapter chairman, has called a meeting of members of the chapter's executive board for Monday, January 15, at 5 p. m. in the offices of Guy E. Farley, on Campbell Avenue.

Purpose of the meeting is to discuss chapter affairs and to make preparations for the civilian defense program. There will be a report on preparations to date.

Already underway are first aid and home nursing classes which will begin next Tuesday and Wednesday evenings at Campbell High School. All persons in the community are invited to attend. Plans are being formulated to

CHAMBER OF COMMERCE TO ACT ON WHITEWAY AND DOLLAR DAY PLANS

Reports on 1951 projects underway will be given at the Campbell Chamber of Commerce general meeting January 17 at 8 p. m. in the library building. These will include the Old Settlers' Day program, dollar day program, directional signs, street signs, street sweeper and proposed whiteway.

ROTARIANS HEAR FIBREGLASS TALK; SET BLOOD DATE

J. A. Tomlinson, an executive with the Owens-Corning Fibre Glass corporation, spoke on "Production of Fibre Glass" at Campbell Rotary Club's Monday noon meeting. He was introduced by Cel Gerevas, chairman of the day.

The Fibre Glass plant in Santa Clara is the most automatic factory in the world, the speaker claimed, pointing out that the present employee total of 340 is extremely low for the plant size, owing to heavy amount of production by machinery alone.

Products of the plant are dust spot air filters, thermowool insulation and glass fiber. The latter, produced in strands of .000,003 inches in thickness, are exceedingly strong, having twice the strength of steel.

GLASS TEXTILES
Currently the plant is moving into production of reinforced plastics and glass textile which is used in electric motors. The glass textiles have been developed to marketable form, he stated, exhibiting blankets and switches of materials, the latter resembling jersey. In this field, however, two problems have been encountered, those of dyeing the textiles, and the war, which has halted textile production. Ninety-five percent of the plant's production is now being diverted to Navy contracts.

At their meeting Rotarians voted to give blood as a unit next Tuesday morning at 11 o'clock in San Jose. The entire group will go to the blood center in San Jose. Action was taken after a talk by J. F. "Bud" Levenberg, Campbell blood procurement chairman for the Red Cross.

New members of the club are Robert Hicks of the Ainsley Corporation, and Dr. Robert Jasmine, optometrist.

District Principals Discuss Plans For Teacher Conclave

Campbell Union School District principals discussed the program for the monthly district teachers' meeting, set for January 17, at the regular principals' meeting on Wednesday. Topic for the teachers' meeting will be "Classroom Control and Discipline."

Other subjects of the principals' meeting were preliminary plans for summer maintenance and improvements, discussion of purchase of next year's school supplies, preliminary plans for gathering data to be used in determining class sizes and transportation arrangements for the next school year.

Present at the meeting were Dorothy Royce and Neal Royer, principal and vice-principal at the Campbell school; John Duncan and Marc Swengel, principal and vice-principal at Moorpark; Bill Shuey, principal at San Tomas; Curriculum Coordinator Ruth Stuart; Special Teachers Helen Peterson and Ann Merdier, and Superintendent William C. Henley.

PAY \$382 FINES AT JP COURT

Fines amounting to \$382 for traffic offenses, and \$16.25 in civil fees were collected during December by the office of Justice of the Peace Martin S. Walsh of Campbell Township. Walsh reported two defendants were imprisoned for disturbing the peace, one for 10 days and the other for 25 days.

Frank Borges, of 126 Tantau Avenue, Cupertino, was fined \$100 on a drunk driving charge by Judge Walsh. Borges, arrested December 24 at the intersection of Meridian Road and Hamilton Avenue, paid his fine December 28.

Board members met Monday night at the Campbell Press offices with the following organization representatives also on hand: Don Gracier, Junior Chamber of Commerce; Mrs. Blanche Gilpatrick, Business and Professional Women's Club; John Duncan, Old Settlers' Day chairman.

Milton Nelson will give the dollar day report. It is important that all merchants on Campbell and Winchester Avenues, as well as chamber members, be present January 17 to accept or reject the whiteway proposal and act on the dollar day proposal.

An increase of \$267.71 per month is the estimated cost for installation of the whiteway. This would be approximately 60 percent over the present street lighting bill of \$447.09. Present rate per \$100 is \$1.22. The new rate would be \$1.952 per \$100.

WHITEWAY COSTS

Improvements and costs for the whiteway, on Campbell Avenue from San Jose-Los Gatos Road to Winchester Road and, on Winchester Road from Latimer Avenue to Rincon Avenue, would be as follows, according to the PG&E survey:

Thirty-two new 1000 CP (candlepower) lights @ \$5.41 month—\$173.12.

Thirteen new 600 CP lights @ \$4.13 month—\$53.69.

Twenty-six 600 CP change to 1000 CP @ \$1.28 month—\$33.28.

Six 250 CP change to 600 CP @ \$1.27 month—\$7.62.

The new 1000 CP lights would be installed in front of the high school.

Street Sweeper Program Ready

At request of the Campbell Chamber of Commerce, the board of trustees of Campbell Union High School have offered use of the school's street sweeper to clean business area streets in the community.

Superintendent Laurance J. Hill announced today that the street sweeping program will be launched February 1 on a six-month probationary basis. Bud Weeks of the high school staff will operate the sweeper and the county will pay the high school \$100 per month for the service. The operator will be paid out of the county allotment.

Area to be swept, once or twice a week according to the need, will be Campbell Avenue from Hardy Avenue to Page Street, and Winchester Road from the north end of the grammar school grounds to Rincon Avenue.

Kiwanians Hear Safety Talk

Robert McNamee, representing the Signal for Safety campaign committee, spoke before Campbell Kiwanians Tuesday at the club's weekly luncheon session.

The speaker outlined various phases of the program being emphasized in nearby communities, and listed pointers for safe driving on streets and highways. Bert Burda was the chairman for the day.

New officers, led by President Fred Jones, presided at their first meeting.

The Kiwanis board has agreed to establish a guest register for the club. Guests must sign at each meeting. It was also suggested that members submit the name of any eligible person suitable as a prospective member of the club. A goal of five new members for the year has been set.

Tuberculosis Here

One case of tuberculosis was reported in Campbell for the week ending December 30, according to the County Health Department. Other tuberculosis cases in the county were located in Sunnyvale, Morgan Hill rural area and Agnew.

HOLIDAY IN DINUBA

Mrs. David F. Rutherford and two children, Bruce and Warren, spent the holidays with Mrs. Rutherford's sister, Mrs. C. E. Wilman and family in Dinuba.

First Aid, Home Nursing Courses Begin For Local Civilian Defense

Atty. Richard W. Morton
Civil Defense Commander for the Campbell zone.

School Granted Extension On Fund Allocation

County Board of Supervisors granted Campbell Union School District an extension to July 1 in which to spend remaining \$1000 of the \$47,000 allotment from the "Christmas Tree" fund for construction work.

Balance of the money in the matching fund has been spent at Moorpark School and for a fire sprinkler system at Campbell School.

Allotment of monies is made by State Chapter 20, the "Christmas Tree" fund, which is cash set aside by the state from surplus wartime revenues to aid public works construction.

Supervisors, in granting the extension to July 1, denied the school district's request for extension to December 31, on grounds the county could allot the money elsewhere if schools have not applied by July 1.

March Of Dimes To Be Handled Again By Campbell Union High School Students

Members of the student body of Campbell Union High school again have assumed responsibility for Campbell's annual drive to raise funds for the March of Dimes campaign.

Alex Stepovich is serving as chairman of the drive to raise \$2300 as this community's contribution to the fund to fight infantile paralysis. The drive will get under way on January 15, and run through January 29. Campbell High school is the only high school in the county, according to reports, which handles the entire drive for its community.

Last year the pupils raised \$1400 of which \$903.49 was spent locally in treatment of seven polio cases. In 1949 nine cases of polio in the Campbell area received \$2293.04 expenditures; five cases in 1948 required expenditure of \$338.23.

Of the total amount collected locally, one-half will remain in the county for polio work while the other half is sent to the National Foundation for Infantile Paralysis for research work and other expenses of the foundation.

National Fund
Last year four out of every five polio victims in the nation required some aid from the March of Dimes. These funds paid for patient care, hospitalization, special equipment, wheelchairs, crutches, braces and other items, as well as salaries of physical therapists and nurses.

Santa Clara County chapter, like many others, is without funds, in fact, there are many unpaid bills, due to funds expended for treatment of this county's 88 cases during the past year. Contrary to popular belief, polio does not strike during the summer and fall months only. Cases are reported every month of the year. Adults as well as children are the victims.

Santa Clara County's goal is \$100,000 for this year's drive. Even that amount would be insufficient if an epidemic should strike. David Baxter, high school pub-

Courses in first aid and home nursing, offered through cooperation of the Campbell Red Cross branch and Campbell Union High school, will begin next week at the high school.

In recognition of Governor Earl Warren's appeal to the citizens of this state to have at least one member of each household trained

in first aid and home nursing, the chairman of the Campbell Red Cross branch, Joaquin J. Payne, has appointed Robert E. McCloskey to organize the local classes.

Grange Votes On Camphor Trees For Winchester Road

George Shattuck conducted his first meeting as new master of Orchard City Grange Tuesday evening in the IOOF Hall. Judge Martin S. Walsh spoke for the committee on camphor trees, stating his group will replace trees along Winchester Road which were destroyed by grass burning. Replacement trees are available at Davis and the Grange voted to purchase the three-foot trees at 65c each.

Committee members are Walsh, Charles Scarper and A. J. Emery. Harry Barnes, speaking on the Grange insurance, said the local group has decided on a public liability policy for a maximum of \$150,000, with a premium of \$17.20 for one year. This covers activities on the Grange lot and premises on which meetings are held.

Orchard City Grange now has 203 members in good standing, according to the treasurer's report.

A. J. Emery, the lecturer, read a memorial from the National Grange for Albert S. Goss, national Grange master, who died last October.

Barnes reported on efforts to locate a youth camp in Humboldt county near the Redwood highway and also spoke on ritualistic duties of each Grange officer.

J. C. Gordon, Pomona Grange master, announced his group will meet at Morgan Hill on the first Saturday in February. There will be a Grange officers' meeting January 30 at 6:30 p. m. in the YMCA.

Home Economics Club will meet Friday at the home of Mrs. Melissa Smith of Campbell.

Refreshments were served by the committee of Mrs. Nellie C. Rutherford, Mr. and Mrs. Wesley Younglaus and Mrs. Lucille Hoerler.

School authorities are doing everything possible to cooperate with the civilian defense program, Superintendent Laurance J. Hill stated today. "We want to do everything necessary to protect the youngsters. We are keeping in touch with civilian defense authorities, organizing classes for the program and our teachers are enrolling in the first aid courses, too."

School authorities are doing everything possible to cooperate with the civilian defense program, Superintendent Laurance J. Hill stated today. "We want to do everything necessary to protect the youngsters. We are keeping in touch with civilian defense authorities, organizing classes for the program and our teachers are enrolling in the first aid courses, too."

The second class in first aid, starting Wednesday, January 17, at 7 p. m., will meet on Monday and Wednesday evenings at 7 o'clock in room 20 of the high school, with Mr. McCloskey as the instructor. This class is nearly full, since it has been organized at request of several local organizations whose members will attend. Unless those planning to enroll in this course are members of one of the organizations, McCloskey advised that the Tuesday-Thursday class will be less full.

Home Nursing
The home nursing class will begin its 12-hour course on Tuesday, January 16, at 7 p. m., in room 23 of the high school, with Mrs. Alfreda Runge, the high school nurse, as instructor. The home nursing class will meet on Tuesday and Thursday evenings.

All the above rooms, 20, 22 and 23, are in the high school building facing on Winchester Road.

The classes are open to all persons in the community who are interested. Persons may sign up for the classes at the first meetings next week.

Mr. McCloskey emphasized that if the first aid classes are overcrowded, more will be organized. Since the home nursing course is of shorter duration, only 12 hours, additional courses will be organized every three weeks as long as there is sufficient demand for them.

School authorities are doing everything possible to cooperate with the civilian defense program, Superintendent Laurance J. Hill stated today. "We want to do everything necessary to protect the youngsters. NEWLYWED DONALD WINSTONS TO RESIDE AT AIR FORCE BASE FOLLOWING YULE CEREMONY

Kirtland Air Force Base, New Mexico, will be the address, at least for the present, of Mr. and Mrs. Donald Kistler Winston (Jean Louise Smith), who exchanged wedding vows on Christmas morning at Calvary Methodist Church, San Jose. Dr. James H. Strayer officiated at the double-ring ceremony.

The bride, who was given in marriage by her father, Mr. George Smith Jr., of 330 Sunnyoaks Avenue, Campbell, was attired in a white satin gown styled with fitted waist and circular gored skirt train. The princess style bodice was accented by a v-shaped neckline and high stand-up collar of rosepoint lace. The long sleeves were pointed at the wrist and tipped with rosepoint lace. A Juliet cap of satin encircled by a braided band of pearls held her fingertip veil. Pearl teardrop earrings were the bride's only jewelry. She carried a bouquet of white bouvardia surrounded by green leaves and centered with gardenias.

Red poinsettias and Yuletide greenery were employed in the church decor, together with white candles, ferns, and white stock for the pew markers.

Jeanette Gomes, as maid of honor, wore a dusty pink satin dress styled like that of the bride and with the addition of a short flared balero. She carried an arm bouquet of blue carnations. Bridesmaid Barbara Winston, sister of the bridegroom, wore an ice blue satin frock like that of the maid of honor, and carried an arm bouquet of pink carnations. Both attendants wore Juliet capes which matched their dresses.

Bridesmaid

Walter Eugene Winston served as his brother's best man. The flower girls were Barbara and Linda Salituri, both in pale blue floor length taffeta frocks with sashes lined with pink matching the maid of honor's dress. Their bouquets were of baby roses.

Ushers were Stanley Smith, Franklin Hale and Charles Gaff. David McDaniel, the soloist, sang "Oh Perfect Love" during the service and "Because" and "The Lord's Prayer" prior to the ceremony.

Mrs. George Smith Jr. selected a Forstmann tulle of emerald green, and a green feather hat, with brown accessories, for her daughter's wedding. Her corsage was a brown and green orchid. Mrs. W. L. Winston, mother of the bridegroom, wore a forest green gardenia suit with black velvet hat and black accessories, and a lavender orchid.

Reception

The wedding reception was held in the church parlor after the ceremony, where a Christmas tree and white chrysanthemums highlighted the decorations. The couple cut a four-tiered wedding cake which was topped with orange blossoms. White and pink carnations encircled its base.

Assisting at the reception were Mrs. Barbara Medlock Lloyd, Mrs. Virginia Winston and Miss Jean Christian, all of whom served. Miss Lois Gardner cut the cake and Mrs. Franklin Hale took charge of the guest book.

When the couple departed on their wedding trip to Lakeside in the Santa Cruz mountains, the bride was attired in an English wool suit of grey-blue, with matching hat, navy blue accessories and gardenia corsage.

The bride is the daughter of Mr. and Mrs. George Smith Jr. of Campbell, and sister of Stanley Smith. She is a graduate of Campbell Union High School and is a sophomore student at San Jose State college and a member of Job's Daughters.

Her husband, son of Colonel and Mrs. W. L. Winston of Redwood Terrace Ranch, Los Gatos, is the brother of Barbara Winston and Walter Eugene Winston. He is a graduate of Campbell High School and attended San Jose State College. A private first class in the United States Air Force, he is a graduate of the Keesler Air Force Base, Mississippi, and his next station will be Kirtland AFB, New Mexico.

The new Mrs. Winston is the granddaughter of the late Rev. John Jay Pardee, and the bridegroom is the grandson of the late Dr. Carl M. Warner. Both were members of the Methodist Conference of California.

Hear Address By Dr. George Bruntz

Dr. George Bruntz, professor of social science at San Jose State College, was the guest speaker at the Monday afternoon meeting of the Country Woman's Club of Campbell. Dr. Bruntz spoke on "Understanding World History and Politics."

English holly, calla lilies and flowering potted plants were employed in the hall decorations. Mrs. Nellie Rutherford was chairman of the committee for the day, assisted by Mesdames J. F. Duncan, S. N. Hedegard and C. E. Williams.

Mrs. George Cooke, who is visiting here from England, was introduced as a guest.

Mrs. Ray Prince urged the club members to participate in the Kwanzaan cherry tree planting program for the community, by purchasing and planting the flowering trees.

Mrs. Prince, who will be chairman of the January 15 program, said the speaker will be Miss Dorthea Madsen, whose topic will be "Art and Culture of the Scandinavian Countries." Miss Madsen will exhibit family heirlooms from Scandinavia.

Music for the afternoon will be provided by Miss Rosemarie Magasco, pianist, and Miss Ruth Courtney, soprano soloist. All members are requested to attend.

WSCS CIRCLE MEETINGS NEXT WEEK

Circles of the Women's Society for Christian Service of the Campbell First Methodist Church, will have their meetings next week as follows:

Circle One—Thursday, January 18, at 1:30 p.m. with Miss Winnie Grizzle.

Circle Two—Thursday, January 18, at 1:30 p.m. with Mrs. W. H. Young.

Circle Three—Thursday, January 18 at 1:30 p.m. with Mrs. Kurt Ritter.

Circle Four—Thursday, January 18, at 8 p.m., with Mrs. J. H. Peterson.

Circle Five—Tuesday, January 16, at 8 p.m., with Mrs. Wayne Thompson.

Circle Six, Thursday, January 18 at 1:30 p.m., with Mrs. C. N. Springer.

PTA Gives \$300 To Music Dept. At Local School

A donation of \$300 was voted for the music department of Campbell Elementary School at the January 9 meeting of the grammar school Parent-Teacher Association. Donation was made on recommendation of the executive board, on report of Mrs. R. M. O'Flynn, secretary.

Mrs. R. E. Kallam announced that the Red Cross will begin classes in first aid and home nursing Tuesday and Wednesday at Campbell Union High School. These classes will commence at 7 p.m. and are open to men and women. The Red Cross has planned to conduct these classes every week, starting January 16, and each session will last about two hours. Each course will extend over a period of 10 weeks, for first aid.

(Continued on Page 3)

REGISTER

MR. AND MRS. EARL WADLOCK of Toledo, Ohio, have been visiting in Campbell this past week. Among friends they called on were MR. AND MRS. FORREST REESE. Mr. Wadlock and Mr. Reese were in the Toledo police department during the 1920's.

MR. RICHARD KNAPPEN, long-time resident of Campbell, who now lives in Redwood Estates, is a patient at Community Service Hospital where he is undergoing two operations for reduction of blood pressure. The first operation proved highly successful and the second is scheduled for next Tuesday.

MRS. EDNA F. SMITH continues to improve after her extended illness and, during the week, has been able to take brief excursions on foot from her Second Street home.

MR. AND MRS. KARL BOHNETT left Tuesday to spend a three month sojourn in Palm Springs. They took along their trailer which will be their home away from home.

The REV. RALPH CONARD and his mother, MRS. MAY CONARD of Plymouth House, Pasadena, visited here recently at the home of their cousin, MR. FRANK CUTTING, and MRS. CUTTING. While here they also called on Mrs. Conard's nieces, MRS. LEWIS RATHBUN and MRS. RALPH HAIN.

GEORGE T. EGLING, dean of boys at Campbell High School, and GEORGE BRUCE KEMP, head of the business department of the high school, were notified this week that they have been recommended for the Master of Arts degree by the academic council of Stanford University. Both men completed their degree work in the education field.

CHERRY TREE PLANTING TIME FOR CAMPBELL

Campbell Garden Club, Inc., will meet on January 17 at 2 p.m. in the library building, with Mrs. Henry Parysek presiding. Report will be heard on the progress of the cherry tree planting program.

Local nurseries are offering the Kwanzaan cherry trees to Campbell residents at reduced prices to aid the program to beautify this community. The Garden Club, which is sponsoring the project, selected the Kwanzaan Flowering Cherry for its beauty and lack of faults for lawn or curb space planting.

It is the endeavor of the club to have this community known as the "Cherry tree town." If residents participate in the project, and many of the trees are planted, the town will not only be given a more charming appearance, but Campbell will be given added prestige throughout the state as a result of successful accomplishment of the program.

Trees may be purchased at Campbell Nursery, corner of Winchester Avenue and Latimer Street; Carman's Nursery, corner of Union Avenue and San Jose-Los Gatos Road; Mrs. Henrietta Smith, 34 Sunnyside Avenue, and Nelson Grain, Campbell Avenue and First Street.

Nurserymen will be glad to provide residents with planting instructions. Trees may be planted up to March 1.

PLANTING INSTRUCTIONS

To plant the tree, dig a hole two feet square and two feet deep. If soil is heavy adobe, put three inches of coarse gravel or rock in the bottom. Fill hole with good sandy loam mixed with two shovelfuls of well rotted manure and one-half pound of bone meal. Plant the tree to the same depth as it was in the can. Settle with water. Soak and tamp the earth until it is completely free of air pockets. Insert two stakes, opposite each other, and tie crisscross with soft rags.

High School PTA Urges Attendance At C. D. Courses

Mrs. Herbert Gilbert, safety chairman of the Campbell Union High School Parent-Teacher Association, announced at the group's executive board meeting this week that Mrs. W. F. Runge will teach a home nursing course to be held on Tuesday and Thursday nights at the high school, beginning January 16 at 7:30 p.m.

The classes will be held at the high school and each class is expected to complete the course in three weeks, after which new classes will be formed. This program is in line with the civil defense work and each family is urged to have at least one of its members enroll in the course and learn to take care of his own in event of disaster. For further information phone Mrs. Gilbert at Campbell 3280.

Open House

Parents visited high school classrooms Wednesday evening at an open house, and went from room to room in the same routine as is followed by their children during the day.

During the evening a short assembly program was presented by Mrs. Adele Charlson's class of Future Homemakers. The members entertained with a cake baking demonstration along the theme, "Fun with Food."

Emory Postons' 50th Anniversary Is Observed

Mr. and Mrs. Emory E. Poston of 494 Pamilar Avenue, Campbell, celebrated their golden wedding anniversary recently at the home of Mrs. Flora Poston, 97 Sunnyside Drive, San Leandro.

Some 50 friends and relatives came from many parts of the state to greet them on the anniversary. The house was beautifully decorated, and a buffet luncheon was served.

The hostess was assisted by her daughters, Mrs. Don Langbehn and Mrs. Emmett O'Brien.

Mr. and Mrs. Poston were married in Shasta County in 1900, and came to Campbell to live in 1909. Mr. Poston was caretaker for J. C. Ainsley of Campbell for 10 years and foreman on the Charles Blaney estate at Saratoga for a number of years.

Job's Daughters Slate Meetings This Saturday

Bethel 174, Job's Daughters of Campbell, will have their first meeting of the new year this Saturday, January 13, at 7:30 p.m. in the IOOF Hall.

Honored Queen Janet Coombs has called a special practice meeting of all her officers and choir members this Saturday morning at 9 a.m.

Members of the Bethel extend their sympathy to Senior Princess Patsy Ervin, whose mother passed away last week.

Mrs. C. M. Clever Feted By Club

Sewing Club of Campbell American Legion Auxiliary 596, turned its Monday evening meeting into a surprise stork shower for one of its members, Mrs. Chester M. Clever of Kennel Avenue.

During the early part of the evening, the members enjoyed various games, after which Mrs. Clever was showered with many gaily wrapped packages. Refreshments furnished by the committee brought the evening to a close.

Those present were: Mesdames Joseph V. Gomes, Roy Hammond, Leslie Fairchild, William Burch, Frank Coupland, Bert Myring, Arthur Smith, Rex Kaber, Barth O'Brien, John Morley, Anna Tatum, Harold Strickland, Charles Freude, Harold Olson, Bernard Barrett, John Hummel, Ethel Weeks and C. M. Clever.

Jeanette Gomes Reveals Betrothal To Charles Gaff Of U.S. Air Force

Sorority sisters of Jeanette Gomes learned of her engagement to Pfc Charles Gaff, U.S. Air Force, when the traditional box of chocolates was passed during a Monday night meeting.

Previously, announcements had been made during the Christmas holidays at family parties in the home of the parents of the bride-to-be, Mr. and Mrs. Joseph V. Gomes of Campbell, and the parents of

Homemakers Give Program At Open House

Future Homemakers at Campbell Union High School presented a special assembly program at the Parent-Teacher Association's open house program Wednesday night.

Under direction of their teacher, Mrs. Adele Charlson, the girls presented a mock television skit on cake baking, and reported on aims of the Future Homemakers organization.

The school band, under direction of Willard LeCroy, played for the evening. Refreshments were served to over 700 parents in the school cafeteria.

For the assembly program, Future Homemakers had as their theme, "Fun With Food." Their cake baking skit, entitled "The Story of Two Bowls or The Making of a Chiffon Cake," was well received by the audience. Girls participating were Sherrill Chamberlain, Virginia Bese, Genevieve Robeck, Catherine Graham, Lillian Farkash, Alice Lassen, Wanda Kenney, Marian Detrick, Shirley Cullum, Shirley McAllister, Bondell Kennedy, Donna Phillips and the announcer, Louella Rice.

At the end of the skit a former Boys Food student, George Nelson, awarded the finished cake to a Mrs. Meisner.

Prior to the cake baking, the Future Homemakers presented a more serious theme, reciting as a verse choir the Future Homemakers' creed to piano accompaniment played by Shirley McAllister. Virginia Bese, president of the California State Future Homemakers organization, spoke on the Future Homemakers organization.

Has 14th Anniversary

St. Lucy's Women's Club observed its fourteenth birthday anniversary at a meeting January 4 in the home of Mrs. Stephens Ridgely on Moore Avenue. Assisting Mrs. Ridgely in serving the candlelit birthday cake were Mrs. Felice Robba and Mrs. Antone Ferro. Thirty members of the club and the Rev. Denis Kennelly were present.

Jeanette Gomes
—photo by Angelo Butera

the bridegroom-to-be, Mr. and Mrs. Percy S. Gaff of Stockton.

Both young people attended Campbell High School where they were active in student affairs. At present, the bride-elect is in her second year at San Jose State College where she is majoring in education. Her fiancé also attended San Jose State and was affiliated with Lambda Chi Alpha. He is with the United States Air Force in San Bernardino.

No definite date has been set for the wedding.

Tax Liability Increased Under 1950 Revenue Act

(Editors note) This is the second in a series of articles prepared by the Collector of Internal Revenue James G. Smyth of the first California District, outlining the changes in the new Income Tax laws and explaining the preparation and filing of Farmer's Income Tax returns.

The main change in the Revenue Act of 1950, which became effective October 1, 1950 increases the tax liability. Generally, the technical structure concerning the preparation of Farm Income Tax returns, remains the same.

A simple method of accounting for the increase taxes has been devised by the Internal Revenue. The percentage on the tax has been decreased. On 1949 returns, filed by March 15, 1950, the reduction was 17 per cent on the first \$400 of tax. The reduction on the tax in excess of \$400, but less than \$100,000 was 12 per cent. Under the new laws, the percentage of reduction to be used in filing 1950 income tax returns, is 13 per cent on the first \$400 of tax and nine per cent on the tax in excess of \$400 but less than \$100,000.

The farmers are required to use Form 1040 as an income tax return. Farmers on the cash basis are also required to show a report of their farm operations on the Farm Schedule, the 1040F. This is merely a report to accompany the regular 1040 Income Tax return.

If the adjusted gross income is less than \$5,000, the short Form 1040 may be used. If the income is over \$5,000 the long Form must be used. Adjusted gross income is considered to be money received, less business expenses and allowable losses from exchange of property.

The exemptions for farmers are the same as for other taxpayers. Every individual filing a return is allowed a personal exemption of \$600. Married couples are each allowed a \$600 exemption. An exemption may be taken for each dependant.

Persons who were 65 years of age or over, by the end of their taxable year, may claim an extra \$600 exemption. Only one exemption may be claimed for a dependant, regardless of age. A blind person is allowed an additional \$600 exemption. A person over 65 years of age and blind is entitled to claim three \$600 exemptions.

It is necessary to check the boxes at the top of Income Tax returns for age and blindness. Only closely related persons, regardless of age or physical condition, may be claimed as dependants, provided majority support was furnished and the person claimed as a dependant did not receive \$500 of taxable income during the year.

A minor, a person under age, is required by law to file an income tax return, the same as any other

SERVICE NEWS

NAVY ENLISTEES

Recent Navy enlistees from Campbell, include: LeLand Conklin, 135 East Casey Rd., Warren Whitmore, Box 225, Campbell, and William Bowen, 860 Steinway Ave.

All Navy recruits are now being sent to the Training Center at Great Lakes, Illinois, for training. Recent flood of Navy volunteers has produced a waiting line at the San Jose Post Office. All men wishing to enlist in the Navy are requested to be patient and wait their turn in line.

WILLIAM D. FRY

William D. Fry, seaman apprentice, USN, son of Mr. and Mrs. Chester Fry of 1259 Walter's Ave., Campbell, is serving aboard the 27,000 ton aircraft carrier USS Princeton, now operating in Korean waters.

The Princeton is the fifth naval vessel to bear that name and was built to replace her namesake carrier, lost in the Battle for Leyte Gulf during World War II. She carries fighting and attack squadrons which have been lending close support to United Nations ground forces in Korea. This is accomplished by low-level strafing, the dropping of napalm "fire bombs," and knocking out enemy tanks with rocket fire.

LOREN WARNING

Loren R. Warning, seaman apprentice, USN, son of Mr. and Mrs. A. G. Warning of 351 Campbell Ave., Campbell, is now serving in Korea with a Beachmaster Unit, which is charged with the responsibility of maintaining transportation and communication facilities between the ships in the harbors and shore stations.

Beachmaster Units were in the city of Wonsan, paying the way for the U.S. Tenth Corps troops to land shortly after the city had been taken from the North Korean Communists.

HOWARD COUPLAND

Howard Coupland, son of Mr. and Mrs. Frank Coupland of Campbell, has been assigned to the USS

individual. It is the parents' or guardian's duty to see that the minor child with a taxable income of more than \$600 prepare and file a return.

When minor children work on a farm for their parents as bona fide employees and receive wages of less than \$500, the parents may claim them as dependants, provided it cost more to support the children than the wages they receive.

Watch for the third in this series of tax articles prepared by the Collector of Internal Revenue James G. Smyth of the First California District.

Estes. Coupland, who served in the Navy for six years during World War II as a gunner in the South Pacific, re-entered the Navy on December 9 and had been awaiting assignment since then.

He will serve as a cook aboard the Estes. He attended grammar school and high school in Campbell and later took a junior college course in vocational cooking at San Francisco. Since then he has served as pastry chef for Stern Hall on the Stanford University campus.

His wife and children, Betty, 8, and Danny, 2, reside in Palo Alto

LT. J. W. HATTEN

Hamilton Air Force Base, California—Lieutenant John W. Hatten, of 913 Carola Avenue, Campbell, has been recalled to active duty with the Air Force at this base. He has been assigned to Fourth Air Force Headquarters as assistant classification officer in the Reserve Classification section.

Lt. Hatten received a commission through the Air ROTC program at San Jose State College, which he attended from 1946 to 1950. He is a veteran of World War II, with overseas service in Hawaii and Okinawa, where he was an aviation radioman with the U.S. Navy.

Mrs. Hatten, the former Patricia H. Bryant of San Jose, and their daughter, Sally Eileen, 9 months, plan to join Lt. Hatten in the near future.

Lt. Hatten is the son of Mr. and Mrs. Ora W. Hatten of Hamburg, Iowa.

Ensign Don Smith

Ensign Don Smith of the U.S. Naval Air Force and his brother, Ernest Smith, Sfc of the U.S. Navy had a three-hour reunion recently in Tokyo, Japan. Don is with a squadron based near Tokyo and Ernest's ship docked at a nearby port after six months in Korean waters. The navy men are sons of Mr. and Mrs. Harry Smith of 21 Sunnyside Avenue, Campbell.

Louis H. Miller Succumbs At 81

Louis Henry Miller, 81, retired rancher, died January 5 in a San Jose hospital following a stroke which he suffered New Year's Day. He was a native of Iowa and had lived on Pollard Road for the last seven years. Services were held Monday at 2 p.m. in Hayward. Interment was at Mount Eden Cemetery.

Surviving him are a daughter, Mrs. Inez Brenkowitz of Mt. Eden; grandchildren, Thomas F., Richard and Michael Brenkowitz; brother, Charles A. Miller, and sisters, Ella A. Miller, Mrs. Emma Imlay and Mrs. Marie Hopkins, all of Campbell, and Mrs. Dorothy Breeding of Willow Glen.

Campbell Births

SHIRK—To Mr. and Mrs. William Christian Shirk, 687 Kenneth Avenue, Campbell, a son, James Christian, December 25 at O'Connor Hospital.

KOTHE—To Mr. and Mrs. Raymond Martin Kothe, 796 Steinway, Campbell, a daughter, Joyce Ann, December 30, at O'Connor Hospital.

FRANK—To Mr. and Mrs. David Dean Frank, 184 Veitenheimer Way, Campbell, a daughter, Deborah Lynn, December 31 at O'Connor Hospital.

Engineers Survey School Ground For Building Details

Preliminary work on Campbell Union School District's building program began this week with the civil engineering firm of Mark Thomas & Co. checking levels on sites for proposed buildings. The information will be used by architects Higgins and Root in drawing detailed plans. Preliminary building sketches have already been drawn.

Campbell Union School District's \$2,250,000 building program, financed largely by state money, was approved by district voters December 14. It includes purchase of four school sites, building of five new schools, and completion of and additions to the present three schools of the district.

Netops Council Final Meet With Pocahontas

Netops Council 247, Degree of Pocahontas, will convene Friday evening, January 12, at 8 o'clock in the Campbell IOOF Hall for its last meeting under direction of Pocahontas Blanche Gilpatrick.

Deputy Great Pocahontas Sarah Cunha will instruct outgoing and incoming officers for installation, which will be an open meeting on January 26. Escort team of Past Pocahontas and assisting officers will practice also.

Theme of the social evening will be kiddies' night, and members are requested to dress the part. Blanche Gilpatrick and her committee will be in charge.

*BUSH—To Mr. and Mrs. Edward Milton Bush, 52 Ada Street, Campbell, a son, James Milton, December 29 at O'Connor Hospital.

HANSON—To Mr. and Mrs. Russell Edward Hanson, 750 Steinway, Campbell, a son, Lynn Jay, December 29 at Santa Clara County Hospital.

SCHOOL NOTES

MOORPARK

While studying about Mexico in our social studies I always thought of Monterey as being so far away that I would never see its beauties. But my mother and dad decided to travel this Christmas vacation, and guess where we went? To Monterey, Mexico. On our way there we saw and crossed the Rio Grande at Nuevo Laredo. As we neared Monterey, we saw many adobe huts, and people dressed in sombreros and serapes.

On a hill outside Monterey we visited an old church, and from this point we could see all over the city. We also got a view of the Gulf of Mexico. As we left Monterey we drove through Saltillo, the former home of one of my classmates, Carlos Martinez. We then crossed the beautiful Sierra Madres on our way home, returning to the States through El Paso. Lance Mortensen, 6th grade

SAN TOMAS

One day Mrs. Newport came in to our Third Grade room. She had a big box and in the box there were five jars of whipping cream. She gave each row a jar of cream. We took turns shaking the cream

Francis Carriere Service Held

Francis (Frank) Carriere, 68, native of France, and resident of Campbell for the past nine years, died here January 3 after a long illness. A carpenter by trade, he lived at 24 Casey Road.

Funeral services were conducted Saturday morning in San Jose, with the Rev. Dwight Small officiating. Interment was at Santa Clara City Cemetery.

Carriere leaves his widow, Ethel Carriere; daughter, Mrs. W. L. Emier, both of Campbell; grandchildren, Mary and Robert Mozzone of Almaden, and cousin, Mrs. Julia F. Fillo of St. Louis, Missouri.

until it turned to butter. Then we had butter on crackers.

Kathy Jillson, 3rd grade.

Every year after it starts to rain, sea gulls come to San Tomas. We don't know why they come. Maybe they know Mr. Joaquin will feed them. We like to watch them.

JoAnn McCoy, 3rd grade.

PTA Gives \$300

(Continued from preceding page) and three weeks for house nursing.

Mrs. Kallam urged as many of the members and other residents of the community as possible to attend both courses for their own benefit as well as for the benefit of their families and neighbors.

The president, Mrs. Lloyd Brown, announced that Founders' Day will be celebrated at the February meeting.

Mrs. Leonard Merritt explained the topic of the day, Human Growth, and a movie, of the same name, was shown.

Others participating in the 2 p.m. meeting in the school auditorium were Gay Williamson of the Camp Fire Girls, who led the salute to the flag; Mrs. Richard Max, who read the inspirational, "The Willow Whistle," Mrs. Raymond Davis, treasurer's report, and Mrs. O'Flynn secretary's report of the two previous meetings.

After the program the fifth grade room mothers served refreshments in the cafeteria.

Sport Shorts

By JERRY THOMAS

WANTED—CINDER DOPE—Junior Morgan, track coach at Campbell high, has been trying to amass an adequate school track record book these past few months. As he perused through the assorted sports listings, he found the Buc track records were missing. It is said that the files were lost or destroyed sometime during the previous war and have yet to make their presence known.

Yesterday Morgan announced that any information leading to cinder achievements of past years would be greatly appreciated.

If by any remote chance some older grad has a few personal clippings telling about the time he ran the century in seven seconds flat or when he pole-vaulted 17 feet, such data would be of extreme value to Morgan.

Any dated files or scrapbooks containing Buc track records, owner consenting, may be forwarded to Morgan at the high school. He assured us that he would need the material for a short time only and all etchings would be handled with care.

He may be contacted by calling Campbell 3481. Even one brief statistic would be welcomed no end.

POTENTIAL PLUS ... If Big Bill Gregg, 220-lb., 6-1 freshman, continues to develop along the athletic trail as rapidly and satisfactorily as he has in his neophyte year, he may well become one of the all-time Campbell high school greats.

Thus far he has made cage coach Bert Robinson and grid mentor Jim Muir agog with anticipation. Exceptionally fast for a youth his size, Gregg was used repeatedly on end sweeps during the frosh football season. It stands to reason that on line plunges he is practically unstoppable once he charged up a full head of steam.

While watching the varsity basketball squad scrimmage the other day, we were impressed by his ball handling and hustle. Coach Robinson remarked that for a first-year man he has a fine shot, fakes well and displays all-around hardwood capabilities. What he needs mostly is general experience and basic tutoring.

DIAMOND DOPE—Baseball knows no seasons, especially around these parts. If it isn't major league ball it is the California Baseball loop, high school teams and sundry other summer organizations

Cagers Lace Mustangs In First League Outing; Tangle With Mt. View Tonight

Using the fast break to extreme advantage, the Campbell high school cagers trimmed the Gilroy Mustangs, 39 to 26, in a SCVAL opener at the local gym Friday night.

Led by Jumpin' Jack Bray's four quick buckets in the first quarter, the Bucs took the lead, never to be behind at any time. Halftime score found the locals on the long end of an 18-12 score.

Tonight, Coach Bert Robinson sends his charges against Mt. View high on the latter's home court.

Bray paced all scorers as he meshed 18 points on eight field goals and two free throws. Frank Mantia, sturdy guard, was second high for the Bucs with seven points. Golden Scott with 11 points and Walt Linstead with 10 digits

carried the scoring burden for Coach Bob Hagen's Mustangs.

From the charity chalk the victors hit for five out of 13 tosses. Gilroy fared better by netting 10 for 18.

The game was a nip and tuck affair until the fourth period when the Bucs caught fire to hit for 18 points while holding the Mustangs to only eight. Forward Tersigni connected for three buckets during the spurt and Bray added three field goals and a free toss.

Throughout the contest the locals displayed exceptional drive and hustle, two vital factors needed in the making of a winning team.

In addition to the fine all-around play of Bray and Tersigni, the three other starting Bucs drew favorable comment from Robinson. Forward Lopina played a sharp floor game, setting up many scoring plays for Bray and Tersigni. Mantia and fellow-guard Walters were instrumental in limiting the Mustangs to a total of eight field goals for the night.

SIGN O' TIMES—Turnabout is fair play especially where the battle of sexes is concerned. With women demanding, and we are sorry to say, getting, equal representation in many man-dominated professions and occupations, a group of Campbell high school male students is carrying the ball the other way for a change.

We discovered that a record number of boys have registered for Miss Adele Charlson's home economics class this semester. Yesterday the Betty Crocker of tomorrow were busily engaged in the "simple art" of baking fancy chiffon cakes.

Picture if you can fifteen to twenty chefs-to-be getting in each other's way, trying to tell the difference between a batter and a mixing bowl. To them, many were lettermen on various Buc teams, batter means someone who never has a .300 batting average. No doubt, the mixing bowl will now replace the Rose Bowl on the west coast. Certain teams were tossed around no end in recent Bowl tussles.

We aren't at liberty to say how the culinary experts made out with their baking, or if the cakes fell. But we do know that the maintenance department was ordered to reinforce the floor. It seemed some explainable excess weight caused a two-inch sag in and around the home economics area.

You can't blame the boys. Are not chiffon cakes supposed to be light and feathery? Must be a cargo of yeast swelling up from external moisture.

McCune Raps Bees To Stay Unbeaten; Jones, LG Also Win

McCune Citrus, rapidly developing into one of the top amateur teams in the area, continued on its merry way in the 'A' division of the Campbell Senior Basketball League.

They defeated Tony's Busy Bee, 40 to 27, Friday night at the high school gymnasium, but had to come from behind to do it.

Paced by several former San Jose State college cage stars, McCune remained the only unbeaten team in the 'A' loop.

Cub Pack Active In Hamilton Area

Eighteen boys belong to the Cub pack here and most of them come from the area around Hamilton corners, according to information from Mrs. Al Bariteau recently.

The pack actually is a Campbell pack since that district is on the Campbell school district, she said.

Mr. Garland Bachman on Willowhurst is the leader of the group of boys, ages ranging from 8 to 10 years.

The boys meet once a week at various homes and once a month at the Methodist church hall. The church has been sponsoring the cubs, according to Mrs. Bariteau.

Next pack meeting is scheduled for January 15.

The reason why worry kills more people than work is because more people worry than work.

L. J. Hill Is Civil Defense Zone Warden; To Observe WG Air Raid Drill Locally

Civil Defense Zone Commander Richard W. Morton today urged all persons who plan to volunteer for civil defense work here to enroll in the first aid and home nursing courses which will start next week at the local high school. "All block wardens," commented Morton, "should have first aid certificates."

Meets Tomorrow

Mrs. E. V. Carstens of Meredith avenue, Willow Glen, will be one of the assistant hostesses when the Canadian club members meet for a dessert-luncheon tomorrow at 1:00 p.m. in the YWCA.

Mrs. Angus McInnis will be chairman of the hostess committee. Besides Mrs. Carstens, other assistants are Mrs. Jennie Russell and Mrs. Margaret Barnes.

Mrs. James Thompson will be program chairman while Mrs. F. G. Luse is president of the club.

Morton also announced appointment of Laurance J. Hill, high school district superintendent, to the post of zone warden with supervision over all air raid wardens in this zone.

The commander, together with his assistant, Robert Ficks, and Hill attended the meeting Monday evening of the Willow Glen civil defense zone board at which plans were prepared for an air raid drill to be held January 20. Morton said he and his assistants received valuable information for their own zone work, and the three will act as observers at the Willow Glen air raid drill on the 20th.

Volunteers are continuing to register with his office. So far the number is slightly over 100.

Many more will be needed when the zone organization is finally established. Volunteers, especially those with first aid and nursing experience, are asked to register now with Morton's office, phone 2236 or CY 5-5688, or with Hicks, phone Campbell 3446.

The local commander said he expects to be able to release a more extensive list of appointees for this area and location of the local command post by next week.

Grammar School Cage Record Set

Plucky Frank Rogers set a Campbell Elementary school cage record Tuesday afternoon when his 'A' team whipped Los Gatos 31 to 18 in Santa Clara County Elementary League play on the losers' home court.

Rogers tallied 24 points to lead the locals to their fourth straight win. They are now in sole possession of first place. Like big brother, like small brother, so the 'B' squad evidently must feel, for they too, continued unbeaten in their respective loop by trimming the Los Gatos 'B' club 28 to 12. Tony Schraub paced the winners with ten points.

Coach Neal Royer used 30 men in the 'B' fray with practically everyone showing to good advantage. He used 11 of his 'A' team in the second game.

Royer commented that the reason for so many players making the trip to Los Gatos was the splendid cooperation afforded him by parents. Several of them drove their own cars to the contests taking four or five boys per auto.

Bicycle Safety Emphasized At Grammar School

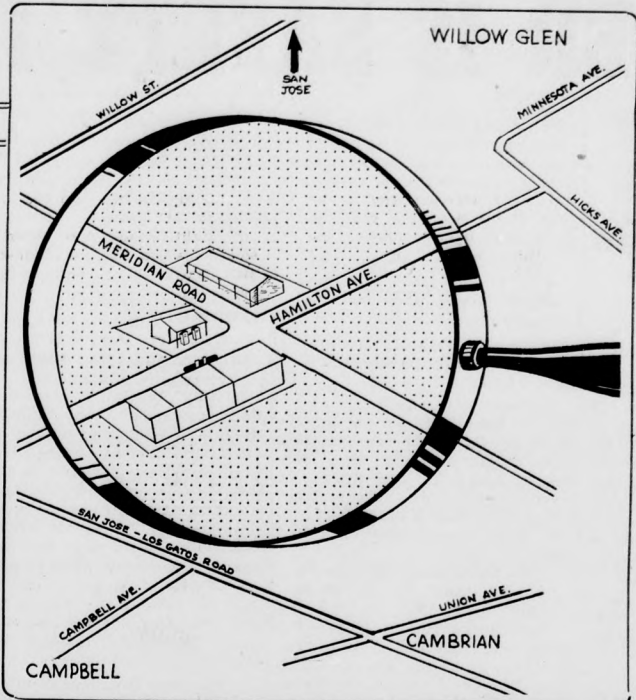

Bicycle safety has been the subject of special emphasis for this week in Campbell Grammar School safety campaign. Eighth grade English classes have prepared a student speaker bureau to speak on safety rules in the classrooms. On Thursday, Officer Edward Snow of the State Highway patrol spoke to upper grade children on bicycle safety.

The safety program at Campbell has been underway since November. Classes with no school accidents during the week carry a safety pennant on the door of their rooms. Student patrolmen assist in maintaining safety rules that have been adopted by the pupils.

New Beauty Shop In Hamilton Center

This week sees another new business opening in the fast growing Hamilton-Meridian shopping district. Alice Navarra and Jeanette Benning, formerly associated with leading San Jose and Los Gatos beauty salons, are opening their attractive shop under the name of the Hamilton Ave. Beauty Shop.

Their telephone number is CYpress 4-5419, just in case you want to make a date with them for a new, attractive hair-do.

SHELTER IS SAFETY KEYNOTE

YOU CAN ESCAPE THE ATOM BOMB; ARTICLE TELLS HOW

(Continued from last week)

WHAT ABOUT BURNS?

Flash burns are a serious cause of injury. Shield yourself from the flash.

Flash burns from the A-bomb's light and heat caused about 30 percent of the injuries at Hiroshima and Nagasaki. Near the center of the burst the burns are often fatal. People may be seriously burned more than a mile away, while the heat can be felt on the bare face and hands at 4 or 5 miles.

To prevent flash burns, try to find a shelter where there is a wall, a high bank or some other object between you and the bursting bomb. You can expect that the bomber will aim for the city's biggest collection of industrial buildings.

A little bit of solid material will provide flash protection even close to the explosion. Farther out, the thinnest sort of thing—even cotton cloth—will often do the trick.

Even a little material gives protection from flash burns. So be sure to dress properly.

If you work in the open, always wear full-length, loose-fitting,

light-colored clothes in time of emergency. Never go around with your sleeves rolled up. Always wear a hat—the brim may save you a serious face burn.

WHAT ABOUT RADIOACTIVITY?

Radioactivity is the only way besides size in which atomic bombs differ from ordinary ones.

In all stories about atomic weapons, there is a great deal about radioactivity.

Radioactivity is the only way—besides size—in which the effects of A or H bombs are different from ordinary bombs. But, with the exception of underwater or ground explosions, the radioactivity from atomic bursts is much less to be feared than blast and heat.

We know more about radioactivity than we do about colds.

Radioactivity is not new or mysterious. In the form of cosmic rays from the sky, all of us have been continually bombarded by radiation every hour and day of our lives. We all have also breathed and eaten very small amounts of radioactive materials without even knowing it. For over half a century, doctors and scientists have experimented and worked with X-rays and other penetrating forms of energy. Because of all this experience, we actually know much more about radioactivity and what it does to people than we know about infantile paralysis, colds, or some other common diseases.

It is easy to understand how radioactivity works if we think how sunlight behaves.

Injury from radioactivity depends on the power of the rays and particles, how long you were exposed and how much of your body was hit.

In the northern part of the world, winter's slanting sun rays seldom cause sunburn, but the hotter rays of the summer sun often do. Still, just a few moments in the midsummer sun will not give you a tan or sunburn. You have to stay in its hot rays for some time before you get a burn. What's more, bad sunburn on just the face and hands may hurt, but it won't seriously harm you. On the other hand, if it covers your entire body, it can

even cause death.

make you very sick, or sometimes In the same way, the harm that can come to you from radioactivity will depend on the power of the rays and particles that strike you, upon the length of time you are exposed to them, and on how much of your body is exposed.

WHAT IS "INITIAL" RADIOACTIVITY?

Explosive radioactivity is the most important kind, but it lasts only a moment.

Broadly speaking, atomic explosions produce two different kinds of radioactivity. First—and most important in an air burst—is an extremely powerful invisible burst of rays and particles thrown off at the time of explosion. This kind is called "initial" or explosive radioactivity. Its rays and particles fly off quickly, then promptly die. There is danger from them only for little more than a minute. The second type of radioactivity—lingering radioactivity—will be described later.

The biggest danger from explosive radioactivity lies within a mile of the explosion.

The injury range of the explosive radioactivity from a modern A-bomb is a little over 1 mile, if the bomb is exploded about 2,000 feet in the air. If it is exploded much higher, some of the radiation may not reach the ground, so the range may be less. If it is exploded much lower, the radiation also may not reach out as far, because it would be blocked by the ground or by buildings.

A little more than a mile away, the principal effects of the few dying rays that struck you could be seen only as temporary blood changes in a doctor's examination. You probably wouldn't even realize you had been exposed.

A little less than a mile from the explosion center, if you are unprotected, you are almost sure to suffer illness. Less than two-thirds of a mile away, those caught in the open are pretty sure to soak up a fatal dose of radioactivity.

Buildings will partially or completely shield you.

Still, the possibility of your being caught without some protection is not very great. Even if you are on the street, there is a good chance that a building, or many buildings, will be between you and the burst, and they will partially or completely shield you.

You are more likely to be hurt by blast and heat than by radiation.

Atomic explosions high above ground cause the most widespread damage. And, as happened in Japan, when an A-bomb goes off in the air you are far more likely to be hurt by the bomb's blast and heat waves than by its radioactivity. At Hiroshima and Nagasaki slightly over one-half of all deaths and injuries were caused by blast. Nearly one-third of the casualties were from the heat

flash.

Radioactivity alone caused only about 15 percent of all deaths and injuries.

If the bomb were to go off close to the ground, or slightly below its surface, the range of the explosive radiation, as well as the range of the blast and heat, would be reduced. This is due to the fact that all three would be partially blocked by the earth, by nearby buildings and by other obstacles.

Explosive radioactivity is less of a danger in ground-level or underwater bursts.

In an underwater burst, there would be much less to fear from blast and nothing to fear from heat. Practically all the explosive radioactivity would be absorbed by the water. However, there would be the second type of radioactivity to be described later on.

(Continued next week)

CALIFORNIA SPEAKS

Statements By Interesting Californians

SILAS R. RICHARDS, Mill Valley city manager, on civil defense planning—"Most people are too lazy to care for themselves in an emergency."

BISHOP DONALD H. TIPPETT, Berkeley, on return from world tour of Methodist missions—"The Chinese Communists have developed effective propaganda and educational methods—wherever they have taken over they have cleverly established many of the principles we've claimed for Democracy."

CHAPLAIN CORNELIUS J. GRIFFIN, Korean casualty at Oak Knoll Naval Hospital—"The Reds can't stamp out the will to fight for freedom because it was given to men's souls by God."

GABBY HAYES, Hollywood cowboy actor—"The only reason parents think yesterday's generation of children was better behaved is because parents were yesterday's generation of children."

Phil Andy Carr Jailed For Reckless Driving

Phil Andy Carr of Saratoga was arrested January 8 at the 'Five Spot' on Winchester Road, Campbell, and charged with reckless driving by Patrolman Robert Locke. Justice of the Peace Martin S. Walsh sentenced Carr to 26 days in the county jail on January 9.

There's one thing about money—it talks, but it never gives itself away.

San Tomas Men Plan Safety Drive For Bike Riders

San Tomas Men's Club is planning a bicycle safety program for school children. Under direction of officers, Walt Thurber, president; James Morrison, vice president; Dave Swan, secretary and Axel Bondgard, treasurer, the program will emphasize the safety aspects of bicycle riding, especially to and from school.

CHESTER C. YOUNG IS ELECTED TO ACCOUNTING INST.

Chester Charles Young of 196 Alice Way, Campbell, certified public accountant, has been elected a member of the American Institute of Accountants, national professional society of CPAs. He is associated with Nome A. Ferguson of San Jose, practicing certified public accountant.

Mr. Young is a native of North Dakota and a graduate of San Jose State College. He holds a CPA certificate from the State of Texas, obtained by written examination, and is a member of the Texas Society of Certified Public Accountants.

Albert Bulmore, Retired Butcher, Succumbs At 69

Albert (Al) Bulmore, 69, native of Almaden and resident of the Campbell area for 30 years, died January 7 in San Jose. He had recently retired from his career as a butcher, and formerly operated a butcher shop where Decker's Market is located.

Mr. Bulmore was a member of Charity Lodge 362 F&AM and Morning Light Lodge 42 of Campbell, and he was a former mem-

Employer Merit Rating Partly Destroyed By Unemployment Insurance Chiseling

By Ross Graham

(Ed. Note. This is the second of a series of ten special articles.) Chiseling, fraud, inequities in the present unemployment insurance law already have partially destroyed "merit rating" and may destroy it entirely.

Employers with good records for holding their employees, who last year paid no unemployment insurance tax, this year are paying 1 per cent, through no fault of their own. In future, they may pay the present maximum of 2.7 per cent, or even more.

Because of the shrinking unemployment insurance fund, every employer, regardless of his merit rating, this year was ordered to pay at least 1 per cent, of his payroll.

MERIT RATING

The way merit rating has worked is as follows:

The contributions of each employer are credited to his "reserve fund" in the Unemployment Insurance Commission treasury.

All unemployment benefits paid out to his employees who stop working for him (prior to getting another job) are deducted from his individual reserve fund, or from the general unemployment fund.

The current balance in the employer's reserve fund determines the rate of unemployment insurance contributions he must pay on his total payroll, for instance from 1 per cent up to 2.7 per cent at present. But many employers who have a fine record of employment and have not been required during 1948 and 1949 to pay anything, now have to pay although their employment records still are perfect, or nearly so.

ber of Ada Rebekah Lodge of Campbell.

He is survived by his widow, Emma E. Bulmore; daughter, Eva Hanson of Los Gatos; sister, Bessie Broughton of Los Angeles; brother, Lawrence Bulmore of Berkeley; six grandchildren and one great-grandchild.

Services on Wednesday from the Place Funeral Home, Los Gatos, were under auspices of Charity Lodge F&AM. Interment was at Los Gatos Cemetery.

"Super Inch" has gone to work

...and it's good news for you and your neighbors!

Of course, completion of "Super Inch" Pipeline is big news to everybody—twice as many people in California use twice as much gas today as was necessary ten years ago—what gas is left in the State no longer can meet the ever increasing requirements of growing California.

To assure our customers a continuing ample supply, we went nearly halfway across the continent to Texas to secure a supply of natural gas that just started flowing through "Super Inch." Adequate gas and electricity enable communities and industries to grow, mean new jobs, larger payrolls. And P.G. and E. gas rates, as well as electric rates, are among the lowest in the nation.

Now meet a few of the folks who helped build and finance "Super Inch" and some folks who use the gas it brings from Texas...

P.G. and E.
PACIFIC GAS AND ELECTRIC COMPANY

Here's Dr. Woodrow Coale, Stockton dentist and former mayor of the city. Dr. Coale, along with nearly 170,000 others, has invested part of his savings in P.G. and E. stock. Through this investment such huge projects as "Super Inch" may be financed so that plentiful, low-cost fuel is assured in growing Northern and Central California.

The Neeld Family, newly arrived from Maryland, in the patio of their home in San Jose. It is to supply the Neelds and over 500,000 other new families living in P.G. and E. territory that we built "Super Inch." The Neelds were happy to find that they pay only 1/2 as much as the same amount of gas cost them in Maryland.

This is Cliff Kue. In inspecting "Super Inch," Cliff walked 1500 miles—three times its California length. Plans for this largest diameter pipeline ever built for transmission of natural gas began six years ago, and the new line has cost 63 million dollars to build! You have to plan ahead, and raise large sums of money when you have more than a million customers to supply with gas 365 days a year.

A mighty good friend of the family budget, your telephone offers more service than ever—at bargain rates.

WHERE EVERY DAY IS BARGAIN DAY

Your telephone gives you more for your money than in 1940

1. When you buy almost any of the things you use every day, it seems that the prices you pay have just about doubled in the last ten years. But this pattern of inflation doesn't hold true with your telephone. For in spite of higher costs of furnishing telephone service—wage levels that have doubled, materials that have shot up sharply—telephone rates have increased far less than the cost of living.

2. Every time you use your telephone today, you get a most unusual bargain. Two ways. Rates have lagged far behind the increased prices of most other things. And the amount of telephone service they buy has practically doubled. Today, on the average, you can be connected with twice as many telephones as ten years ago. You can call more of the people you want to call. More can get in touch with you.

3. In these days, when our nation needs a strong and efficient telephone service to help speed the job of defense, that service is available—and at bargain prices. And you can be certain that all of us at Pacific Telephone will keep right on working to build your telephone's value still more—to make it a still better servant for you. And for our nation.

Pacific Telephone

Your telephone is one of today's best bargains

DROWSY DRIVERS

Busy traffic lanes require maximum alertness on the part of drivers. If you drive, don't drowse, warns the California State Automobile association. If you're sleepy, hands off that steering wheel!

NOTICE OF DISSOLUTION OF PARTNERSHIP

KNOW ALL MEN BY THESE PRESENTS:

Please take notice that the certain partnership known as the BLUEBELL CAFE heretofore composed of MARY F. GRAY, residing at 309 Harrison Avenue, Campbell, California, and AZALEA D. SHAW, residing at 28 Dillion Avenue, Campbell, California, conducting and operating a certain restaurant business on East Campbell Avenue in the town of Campbell, County of Santa Clara, State of California, was dissolved as of the 31st day of December, 1950; that the said Azalea D. Shaw will continue to operate said business as heretofore under the same name and style.

MARY J. GRAY
AZALEA D. SHAW
STATE OF CALIFORNIA
County of Santa Clara—ss.

On this 3rd day of January in the year one thousand nine hundred and fifty-one before me, Richard W. Morton, a Notary Public in and for the County of Santa Clara, State of California, personally appeared Mary F. Gray and Azalea D. Shaw known to me to be the persons whose names are subscribed to the within instrument and acknowledged to me that they executed the same.

Witness my hand and seal of office this 3rd day of January, 1951.

Richard W. Morton
Notary Public in and for the County of Santa Clara, State of California.
My Comm. Expires Jan. 1, 1952.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official Seal, at my office in the County of Santa Clara, the day and year in this certificate above written.

(Seal) Richard W. Morton
NOTARY PUBLIC in and for the County of Santa Clara, State of California.

Operation Fatal To John H. Bier, Plant Manager

John H. Bier, 50, of 561 Cambrian Drive, Campbell, general manager of the Clapp's Baby Food Plant in Santa Clara since 1945, died Thursday night following an operation in a San Jose hospital. He was a native of Missouri.

Funeral services were conducted Saturday afternoon in San Jose. Interment will be in St. Louis, Missouri.

Bier was a leader in supporting the county's blood procurement program, and had given nearly five gallons during his residence here. Clapp employees have donated 287 pints in the past two years.

He was recently elected first vice-president of the San Jose Chamber of Commerce; was a member of the San Jose Rotary Club and San Jose Executives Club; past president of National Association of Cost

Accountants and a veteran of World War I.

Surviving Bier are his widow, Gladys B. Bier of Campbell; a daughter, Jean E. Bier of Campbell; son, John W. Bier of Florida; sisters, Mrs. Fred Thiesen of Lake-side, Mrs. Emma Sarhage, Mrs. Leo Stamm, Helen and Laura Bier, all of Missouri.

DONALD E. RICE
TO TAKE OFFICE
AS NOBLE GRAND

Donald E. Rice will be installed as noble grand of Morning Light Lodge No. 42, Independent Order of Odd Fellows, at ceremonies scheduled for the evening of January 18 at the Campbell IOOF Hall. The open installation at 8 p. m. will be preceded by a potluck supper at 6:30 p. m.

District Deputy Grand Master Montrose Lilly, and his staff will handle the installation.

Other new officers besides Rice are Roy S. Bonds, vice-grand; Cy Penhall, warden; Ralph Gardner, conductor; Thayer Lyons, chaplain; Raymond McVea, right scene supporter; Byron Brown, left scene supporter; S. G. Rice, right supporter of the noble grand; E. C. Merrill, left supporter of the noble grand; Ray Gilpatrick, right supporter of the vice-grand; Jack Chap- pell, left supporter of the vice-grand; Harley Poore, inside guardian, and Gilbert Handley, outside guardian.

February 21 in order that she may reign all day on the 22nd. Folk dancing will be offered on the afternoon and evening of February 22 in the high school gym. Folk dance organizations in other communities have indicated they will send groups to the event.
Stan Gould has called for loan of old photos of Campbell or its residents. These would be photographed for recording in the permanent historical record of the community.

The recently organized Campbell Grammar School band will participate in the parade.

FLASH: Duncan has announced that Justice of the Peace Martin S. Walsh has agreed to organize a Kangaroo Court and posse of deputies (probably Kiwanians). These gentlemen will take firm charge of masculine malcontents who fail to raise suitable hirsute growth for the whiskerino event. All wrongdoers who have paid their fines will receive badges bearing uncomplimentary remarks.

Buc Matmen Prep For Panther Match On Downing Gilroy

Eager and willing following their opening win over Gilroy Friday the Campbell matmen will attempt a repeat performance against Santa Clara high Tuesday afternoon at the Buc gym.

Coach George Miskulin expects nothing but trouble from the Panthers, perennial powerhouse in SCVAL wrestling circles.

Adding to Miskulin's woes is the temporary loss of Dan Duarte, defending loop champ at 133 lbs. To build his waiting wall one foot higher, the Buc mentor announced that Tony Cadena, Duarte's able replacement, will be unavailable also. He pulled a leg muscle this week, making him idle for the time being.

In last Friday's matches, held on the Mustangs' mats, the locals rolled to a convincing 28 to 19 win.

Duarte broke his nose during his match which is partial reason for his unexpected loss.

Heavyweight Sam Lopez, in winning his match by decision, drew the greatest praise from his coach. Miskulin said that Lopez is the most improved man on the squad, and should go a long way if he keeps in top physical condition.

TOO LATE TO CLASSIFY

WANTED—Woman three days a week, 9 a.m. to 6 p.m. to care for three children: baby, 7 mos., boy, three yrs.; school girl, 6 yr old. Also light housework. Very urgent, must be responsible. good references. Phone Campbell 3697.

So thrifty, too

Fast, easy, convenient. No spilling; no waste. Pre-measured to make 3 appetizing quarts — high in food value, low in cost. Excellent for drinking or cooking or baking.
